Re: Havertown PCP Site

Dear Mr. Delaney:

We are in receipt of your letter which was telecopied to EPA on September 27, 1993 (dated September 23, 1993). Please be advised that your letter proposes the imposition of a number of unacceptable conditions to EPA's access rights and authority under CERCLA §104(e), including, but not limited to, the Estate's demand that EPA indemnify the Estate during the conduct of EPA's activities. As a result, consistent with our prior letters, EPA is now in the process of preparing for the issuance of a unilateral administrative order for access. We expect that that order will be issued very shortly.

Should you have any questions, please feel free to contact me at (215) 597-6957.

Sincerely,

Mary E. Rugala
Assistant Regional Counsel
